

Cabin Information

The kitchen is completely furnished with a range refrigerator, microwave, coffee maker and toaster. The kitchen is well stocked with pots, pans, dishes, utensils, etc. There is a standard bath. The living room includes a sleeper sofa and cushioned chairs. Every cabin has a screened porch. A weber-style outdoor grill is provided - please bring charcoal. We provide the bed linens. **Please bring your own bath and kitchen towels/bath soaps.**

There are campfire pits throughout the grounds. **We provide firewood.**

The listed rate accommodates two guests per bedroom. There is a charge for each additional guest - 2 max per cabin. When calculating the persons, infants and young children are included. In the quest to provide a good experience for all persons in your group, we urge you to respect the two guests per bedroom rating. You are creating memories on this vacation – make them positive ones.

While there are no TVs in the cabin, WiFi is on premise in the game room and near the office.

Unique Cabins

The six-bedroom, two-bath, “Animal House” is the original lodge building, predating 1900. No amount of loving touch up will restore this old dame to the lass she used to be. A few steps above camping, the Animal House accommodates up to 12 people.

Cabins #11, #12 and Hillside were built by the Einspaniers. The cathedral ceiling and expansive windows bring the outdoors inside. Also included: washer / dryer, 2nd half bath (2 full baths - Hillside), gas fireplace, deck and screened porch. Hillside and #12 have a sauna. There are three bedrooms in each cabin. The loft functions as a fourth bedroom. Rated for up to 8 persons. *Note: Hillside overlooks the lake with a great view of the lakes and trees – especially pretty in the fall. Hillside has a larger screened porch and more expansive interior than #11 or #12.*

Fireworks

Fireworks are banned. In order to provide safe, eco-friendly and quiet grounds, we prohibit all fireworks.

Pets

Pets are welcome. As a courtesy to all, we ask that pets are kept out of the swimming area, leashed, cleaned up after and kept off the furniture. In order to recover the cost associated with pets, there is a one-time per-visit charge. One charge covers up to 2 pets. Due to the competition for food between dogs, guests’ pets are not allowed at the Monday night picnic.

Boats, Kayaks, Canoe

A boat for your exclusive use is provided on Lake Everett. A dock is shared with the cabin next door. We keep additional boats on Lake Delta for cabin guests to share. You are welcome to bring your own boat and/or motor. Motors and extra boats are also available for rent. We provide adult-sized PFDs. Please plan to bring your own PFDs for young children.

There are 9 kayaks and a canoe on premise for guests to share. You are welcome to use them - just get in and go. The kayaks are river kayaks with a wide mouth, which allows for a child or pet to sit in front of the kayaker.

Cancellation Policy

Upon confirmation, THE GUEST IS RESPONSIBLE FOR THE FULL LENGTH OF THE RESERVATION. Cancellations made **more than 30 days prior to arrival** will be refunded in full if we are able to rent the cabin to another guest during your confirmed time at the same price. Cancellations made **less than 30 days prior to arrival** will be subject to a cancellation fee. If we are able to rent the cabin to another guest during your confirmed time at the same price, the balance of your deposit, less the minimum charge, will be refunded.

Guests make reservations months in advance. Last minute cancellations usually result in losing a portion or all of your deposit.

The History of Delta Lodge

In the late 1940s, Wes and Iva (“Ike”) Rhinehart moved into an old two-story house (the “Animal House”) on a pristine glacial lake in the heart of the forest. They lived on the first floor and rented out rooms on the second floor to vacationers. During their 25 years of ownership, they built nine cabins and the lodge, which included a bar and white tablecloth restaurant. The bar area is now a game room: board games, pool table, dartboard, juke box and WiFi.

The Rhineharts had a vision for what vacationers (then and now) want in a cabin: lake frontage, large windows, spacious interiors, well-kept grounds and a main lodge in which to escape cabin fever. This vision has transcended generations, as the children of yesteryear are introducing their children and grandchildren to nature, recreation and relaxation in the forest.

Marilyn and Andy Einspanier have owned /managed Delta Lodge since 1990.

During our ownership we have updated the grounds and cabins and built new cabins (#11, #12 and Hillside), in the tradition of Wes and Ike. We enjoy vacationers and their four-legged family members. We offer our knowledge of the area: hiking trails, mountain bike trails, fishing maps, touring the Apostle Islands, area waterfalls, antique/ art/ craft shops, wineries and restaurants.

Amnicon Falls during the spring thaw.

We welcome you to Delta Lodge!

Visitors

While it seems like a nice gesture to invite friends to visit you while you are at Delta Lodge, you can imagine the burden this would create if everyone invited extra people. The quiet beauty Delta Lodge offers would not be so quiet nor so beautiful. Non-registered visitors must be pre-approved by the owners.
